Bundles of Love

India

CHRISTMAS PARTY

Our national church planting partners in India embody the love of God through their compassionate care for India's vast number of orphaned children. They not only provide essential physical care and education but also introduce them to Jesus, who will be their eternal Saviour and source of hope. By contributing to *Bundles of Love*, your generous contribution will enable us to provide these children with a nourishing Christmas dinner, a brand new set of clothing, and a delightful toy. These heartfelt gestures will serve as powerful reminders that they are loved and cherished in our hearts.

*This gift has been
given in your honour.*
