India

TOOL KITS

The ongoing massive outpouring of the Spirit in India shows no signs of slowing down. However, pastors and church planters face challenges when travelling to remote areas with limited access to basic necessities.

To support these national church workers during Christmas, Empower wants to bless them with a tool kit containing essential items such as a flashlight, thermos, power bank, sleeping bag, and first aid kit. This kit will enable them to carry out their ministry, ensuring that they can continue spreading the message of hope and faith to those in need.

*This gift has been
 given in your honour.*
