## Laos

### MINI FARMS

Empower operates in Laos, a predominantly Buddhist country in Southeast Asia, where it supports national church planters who are actively spreading the Gospel and witnessing an abundance of conversions. To encourage these church planters, Empower provides them with a Mini Farm consisting of livestock such as chickens, pigs, ducks, fish, as well as aquaponics systems, seeds, and gardening equipment. This strategic investment enables the church planting families to become self-sufficient for an extended period. This Christmas, you have the opportunity to bless a pastor and his family with a Mini Farm that will bolster their lives and ministry.
