WINTER COATS AND BOOTS

Empower is witnessing a blossoming youth ministry among the Romani (gypsy) people with hundreds of young people coming to the Lord. Spiritually they are rich, but economically, many of these young converts are extremely poor. Many parents find it almost impossible to provide them with warm clothing to ward off the cold of winter in the Balkans. This Christmas, Empower wants to provide hundreds of sets of winter coats and boots for kids and youth who would otherwise go without.
