## *Ethiopia* **BIBLES**

Empower provides hundreds of thousands of Bibles each year to support the enormous number of new believers in Ethiopia. However, their request is for hundreds of thousands more. As of now, a single Bible is being shared among 25 new believers within a clan or family environment. This is necessary because of the millions of rural Ethiopians embracing Christianity. This Christmas, Empower wants to send as many Bibles as possible to Ethiopia to feed this urgent need for more Scripture.

*This gift has been  
given in your honor.*
