STRENGTHENING AND EQUIPPING HIS CHURCH

# Middle East

## ONLINE MINISTRY

Across the Middle East, where freedom of religion is highly restricted, thousands are going "online" to safely explore the Gospel. Empower partners with a local ministry to share Jesus through social media, digital Bibles, online Bible studies, and 24/7 Christian radio. This Christmas your gift of \$40 will help seekers encounter Christ, ask questions in safety, and grow in their faith through digital resources that reach across borders.

This gift has been  
given in your honour.
